

Cedrus Investments opens office in HK

ET Net

(ET Net News Agency, 5 October 2010) Cedrus Investments, a global boutique investment firm headquartered in the Cayman Islands, has announced its expansion into Asia with the opening of its office in Hong Kong.

Cedrus specializes in private wealth management, asset management and financial advisory services.

Its chairman Rani Jarkas said. "We are making a long-term commitment to investors in the region and are confident that our structure, expertise and global network - including the Arabian Gulf region - will create real value." said its chairman Rani Jarkas.

"We uniquely offer boutique caliber services with an international platform, products and network. Our Hong Kong office is paving the way for our offices in Shanghai and Beijing, which will be opened shortly." its Managing Director and Head of Asia Lawrence Chan said. (KL)
